

PERSONAL PROTECTION - **FREE TIME**

Helsinki Model Softshell jacket

USES

- | The Helsinki jacket was designed with the functionality and comfort demanded by outdoor activities in mind. Softshell is characterized by its three-layer construction, which makes it suitable for all weather conditions.

MATERIALS

- | Designed in three-layer softshell. This allows to keep body heat by releasing moisture and perspiration.
- | Water resistant.

DESIGN

- | It has Napoleon pockets with zippers on the front. The back part is longer with plush for a better protection against weather.

It can be adjusted to the body with drawstrings in the lower hem, and it ensures total protection of the head thanks to its adjustment system and high collar.
